WOMAN REFUSES OPERATION
Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine. "I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner? If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

ECHOES FROM THE LODGE ROOM

Norwich Lodge, N. E. O. P., Held Special Meeting to Initiate—Rebekahs Held Social After Work—Elks Plan Banquet to Celebrate Sixteenth Anniversary—Fathers and Sons in Lodges of A. O. U. W. in the State.

PATRONS OF HUSBANDRY.

Norwich grange, No. 173, is to have a feature evening in the entertainment line at its meeting next week, when Lecturer Frank T. Maples has arranged to have a 10 old fashioned entertainments along singing school lines produced. Rehearsals for the event have been going on for some time and it is expected that a most enjoyable experience is before the grange in witnessing what its members can do in the coming production. The attraction promised insures a large attendance at the meeting.

UNITED WORKMEN.

Past Grand Master Workmen, William E. F. Landers, of Meriden, and Hartford, who is Assistant Adjutant General of Connecticut, will take a trip to the Pacific coast in the near future.

Grand Recorder George Stroth and Edward E. Mix of the Grand Lodge Finance Committee, paid a visit to the Housatonic Valley Lodge, No. 12, of Cornwall Bridge and installed the officers, Friday evening, March 20th. Besides three candidates were initiated into the ranks of the Order, indicating the popularity of the lodge in this section. The interest of the occasion was heightened by the fact that one of the candidates initiated was the son of a member of the lodge, C. B. Lorch, Sr., whose son having the same name is recorded of the lodge all of four sons of members of the Order, this last one being the fourth to join this lodge. The new recruit, just passed his 18th birthday and the other three have joined in the last two years.

Brother Lorch expressed his regret that he had no more sons with which to increase the ranks of the Order, his supply in this line being exhausted, while Housatonic Valley Lodge is putting out its chest in having the father and four living sons members of their lodge, besides having won the banner twice, given yearly to the lodge making the largest percentage gain in membership.

In connection with the above Grand Recorder Stroth made the fact known that in Columbia Lodge No. 3, they had a candidate initiated recently, the son of Past Master Workman Justin B. Lorch of this lodge, this being his second son to join the lodge, and Brother Lorch has informed Grand Recorder Stroth that he has another son, and in a short time, as soon as he reaches the qualifying age he will become a member of the Order.

Brother Stroth believes that these examples in various lodges where fathers and sons are members of the same lodge, set up noble examples to follow.

Further examples of fathers having sons in the same lodge are seen in

NORWICH TOWN
Unwelcome Arrivals, a Pair of English Starlings—Pupils Perfect in Attendance at West Town Street School.

One bird student who builds homes for the birds and tries to protect them notes that the robins are nesting in the red-winged blackbirds and song sparrows are here, and a pair of European starlings has been made its appearance near a bluebird's nest.

The starling, a color with long, greenish tinge in color with white spots. These birds do not build nests in trees, but in the crevices of buildings. They were introduced by New York a number of years ago and are spreading to localities in Connecticut. Starlings are quarrelsome and masters of the English sparrow and it is feared that they will drive away the song birds, if they become common throughout the country.

GOOD FRIDAY SOLEMNITY
To Be Observed by All Devout Episcopalians as Recommended by Convention.

At the last general convention a resolution was passed unanimously by the house of delegates. Resolved, That we commend to all Christian people the observance of ten minutes' thoughtful silence at three o'clock on Good Friday in recognition and commemoration of the sacrifice and death of the world's Redeemer. The house of bishops adopted the following substitute: Resolved, That the house of bishops, in recognition of the sacrifice and death of the world's Redeemer, do hereby commend to all Christian people to share in the long custom of setting aside Good Friday as a day of public and private devotion in commemoration of the sacrifice of our Lord. In view of this
